Metabolix, Inc. to Present at Investor Conference

Cambridge, Massachusetts, September 26, 2007. Metabolix, Inc. (NASDAQ: MBLX), a bioscience company focused on developing clean, sustainable solutions for the world's needs for plastics, fuels, and chemicals, today announced that it will be presenting at the CitiGroup "Ethanol on the Cob II" conference taking place on October 2, 2007 in New York City.

Dr. Oliver Peoples, the Company's Co-Founder and Chief Scientific Officer will be presenting on Tuesday, October 2, 2007 at 2:40 p.m. Eastern Time. The webcast and associated slides can be accessed on the company's website at www.metabolix.com in the Investor Relations section under the Webcasts & Presentations tab.

For those unable to listen to the presentation live, the webcast will be archived and can be accessed from the Company's website.

About Metabolix

Founded in 1992, Metabolix, Inc. is an innovation driven bioscience company focused on providing clean, sustainable solutions for the world's needs for plastics, fuels, and chemicals. The Company is taking a systems approach, from gene to end product, integrating sophisticated biotechnology with advanced industrial practice. Metabolix is now developing and commercializing Mirel™ biobased plastics as a sustainable and biodegradable alternative to petroleum-based plastics. Metabolix is also developing a proprietary platform technology for co-producing biobased plastics, biofuels and chemical products in biomass energy crops such as switchgrass. For more information, please visit www.metabolix.com. (MBLX-G)
